APPLICATION FOR ARTS FUNDING IN PAWTUCKET

The City of Pawtucket's Arts Panel Grant program awards up to \$1,000 to nonprofit organizations, for-profit organizations or individual/group artists in support of arts and cultural programming that is made available to Pawtucket residents and visitors. Although not specifically required for grantees, this grant program aims to support events and activities that are concurrent to the Pawtucket Arts Festival (PAF), scheduled for September 4-13, 2020. All proposed programming must be held in the City of Pawtucket.

Successful grant application programs should demonstrate broad and diverse community participation and, where possible, free and/or low cost for attendees. Programming may include, but is not limited to, arts education, creative placemaking, dancing, design, folk and traditional arts, literature, media arts, music, open arts studios, public art installations, theater, visual arts and other forms of arts-based community engagement.

Please note that applicants should consider additional funding sources as needed because Arts Panel Grant awards are limited and may not be sufficient to fund your entire program. Grant recipients are also responsible to manage and implement all logistical details for the production of events/programming.

2020 grant applications will be reviewed based on the following evaluation criteria:

- Artistic merit, creativity, and uniqueness.
- Anticipated level of public participation by both local residents and visitors to Pawtucket.
- Clarity of project goals to be accomplished.
- Applicant's ability to deliver high-quality programming.
- Level of affordability and accessibility for participants.
- Ability to enhance existing Pawtucket-based programming and/or establish new quality artistic programming.

Grant awards range from \$500-\$1,000 and will be distributed as reimbursement following successful delivery of your proposed event or activity.

All grant recipients with events/programming that will run concurrent to the September 2020 Pawtucket Arts Festival are encouraged to share event description, location and opening/closing dates and times with the Pawtucket Arts Festival Director by Friday, June 5, 2020, for inclusion in all PAF online and print marketing. These grant recipients are also asked to include the PAF logo on all promotional materials.

The deadline for Pawtucket Arts Panel Grant applications is Friday, April 17, 2020. Applications are due to Jay Rosa and may be delivered either in person or via e-mail. All applicants will be notified of their funding status by Friday, May 8, 2020. Please direct all completed applications or questions to:
