2017-2018 Annual Action Plan Executive Summary

1. Introduction

The City of Pawtucket is an Entitlement Community that expects to receive funds from the U.S. Department of Housing and Urban Development (HUD) to invest in local solutions to address housing and community development needs. The funds include the Community Development Block Grant (CDBG), the HOME Investment Partnership program (HOME), and the Emergency Solutions Grant (ESG).

The primary objective of the CDBG program is to develop viable communities through the provision of decent housing, a suitable living environment, and expanded economic opportunities. HOME funds are dedicated to preserving and creating affordable housing. ESG supports outreach and shelters for homeless persons, as well as programs that prevent or rapidly rehouse homeless individuals and families.

The City of Pawtucket is pleased to present an Executive Summary of its Annual Action Plan for Fiscal Year 2017 from July 1, 2017 through June 30, 2018. The Annual Action Plan serves several functions:

1. Utilizing data and community input, it prioritizes housing and community development needs, delineates a one-year strategy for addressing those needs, and establishes performance measures by which progress can be assessed in response to the City of Pawtucket's Consolidated Plan 2015-2020.
2. It describes recommendations for specific projects and services to address housing, community development, emergency shelter, and homeless needs which were identified through public meetings, needs assessments, coalition meetings, consultations with community groups (e.g. neighborhood associations, linguistic minority organizations, etc.), and proposals solicited through both public meetings and the Request for Proposals (RFP) process.
3. It outlines activities that will be funded utilizing Federal Block Grants from the U.S. Department of Housing and Urban Development in accordance with 24 CFR Part 91.220 of Title I of the Housing and Community Development Act of 1974.

The City's Annual Action Plan has been prepared in accordance with guidance provided by the U.S. Department of Housing and Urban Development.

3. Evaluation of past performance

The City of Pawtucket has demonstrated tremendous progress in meeting the goals and objectives identified in the 2015-2020 Consolidated Plan and the most recently completed its second year of the five year Consolidated Plan. The city's successful efforts focused on activities that have positively impacted the quality of life for low and moderate income residents. These efforts have included increasing the amount of decent, safe and affordable housing; expanding homeownership opportunities; investment in public infrastructure, facilities, and parks; and providing essential public services.

An inclusive public process, community input, careful planning and a significant commitment of financial resources enabled the city to achieve modest performance across all programs and objectives despite funding constraints from HUD grants.

The City of Pawtucket remains confident that its demonstrated high level of performance will be replicated during the period covered by this Action Plan.
