# A Message to the Residents and Taxpayers of the City of Pawtucket

Dear Friends and Neighbors,

As we start 2017, my family and I would like to thank you for a wonderful 2016 and wish you a very happy, healthy and prosperous New Year. I want to thank each and every one of you for all you do to help make Pawtucket such a great place to live. It is my honor to serve as your mayor. This time of year is a wonderful opportunity to reflect on what has been accomplished over the years and also look ahead to the new opportunities that will be coming our way.

When I first took office in 2011, the outlook for our city was grim, and we were teetering on the verge of bankruptcy and State takeover. The City's Rainy Day Fund was almost entirely depleted, our bond rating had been significantly downgraded and taxes had to be raised to offset the losses of revenue. We inherited astronomical growth in costs, many of which were contractual, such as pension and other post-employment benefits (OPEB) obligations that have increased by more than \$10 million since FY08.

Through fiscal discipline, combined with restructuring city government and cutting waste, we now have more than \$10 million in our reserves, and our bond rating saw an unprecedented 2-notch increase. We continue to fully fund the pension ARC to meet our obligations to our retirees, and we are extremely proud that all the hard work has enabled no tax increases for residents or businesses three out of the last four years.

We are investing in our roads, schools and other infrastructure. Max Read Field underwent an incredible transformation to a state-of-the-art turf field. Once the track is completed early this year, this facility will be a tremendous amenity for our community and a point of pride for all who use it.

Our Police Department is implementing initiatives such as the Neighborhood Response Unit to take a community-based approach to policing. Such strategies have a proven track record nationally, helping to build community relations and engage our youth in a number of positive ways. We will continue to prioritize similar smart policy decisions moving forward to help further engage with the community.

Our school graduation rates have significantly improved since 2011, and I know that with the great work taking place in the Pawtucket School Department that the progress will continue. Varieur Elementary School was awarded the prestigious National Blue Ribbon Award. We are reinvesting in our schools with renovations well underway at Potter Burns, and Nathanael Greene is on the horizon for the 2017-2018 school year. Thanks to the voters who approved these initiatives, we will continue reinvesting in all of our schools to create a better and safer learning and teaching environment for all.

We are also improving our business climate. Pawtucket is home to so many great small and large businesses who love and support our city. We are proud to support their continued growth, and we continue to work to attract new businesses and job opportunities to our community. I urge you to continue to support our local businesses, many of whom sponsor this calendar.

The Blackstone Valley is now a national historical park, and the crown jewel of that national park is right here in our city at historic Slater Mill - the birthplace of the American Industrial Revolution. The future tourism potential of this park is very exciting, and Pawtucket is partnering with federal, state and local officials who are helping to make the park a reality. The Pawtucket Red Sox continue to play baseball at McCoy Stadium, Rhode Island's Fenway Park. Thanks to the help and support of many, we will continue to see Triple-A baseball played in our great city for years to come. We are working together with the organization and the State of Rhode Island to ensure the fans of our team are provided the best experience possible now and into the future.

We are moving forward in the right direction, and you have my commitment that we will continue to build on the strong foundation we have built together. My administration and the City Council will continue to invest in public safety, public access, quality of life improvements and public recreational amenities to make Pawtucket even better.

We must not rest on our laurels and past accomplishments. Pawtucket is uniquely positioned to see the development of a new commuter rail station, which will bring our residents easily to Boston and Providence. The station will also spur redevelopment in our downtown and bring numerous visitors to our great city.

Our gorgeous riverfront is primed for development. A state-of-the-art, mixed-use commercial and residential development that our partners at Peregrine Group are spearheading is planned on Division Street. Together, with the State of Rhode Island, we will help realize smart investment that should spur further growth in our downtown.

In conclusion, I wish to thank our generous calendar sponsors who, once again, allow us to present you with the 2017 edition of the City of Pawtucket Calendar. Like previous years, this calendar provides a wealth of information on scheduled events, how to contact your elected officials, the many services available to you and much more. This year's theme is "Pawtucket's Color Palette," reflected by the unique, colorful photos of Pawtucket scenes scattered throughout the pages. These photos were selected by professional photographers in the City's photo contest. Cunningham Elementary School fifth-grader Connor Maddix's photo was selected for the cover.

I want to wish you a happy and healthy 2017. Together we will continue the progress we are making here in Pawtucket. Join the Evolution!

Sincerely,

Mayor Donald R. Grebien

**2017 Cover Photo:** Congratulations to Connor Maddix, who was a 5th grade student at Winters Elementary at the time of this contest. His winning photo was selected by Mayor Donald R. Grebien for this year's Mayor's Choice Award.

The photos used in this calendar are winners from the City of Pawtucket's 2016 Annual Photo Contest. We would like to thank Patty Zacks of The Camera Werks for coordinating this contest and making it the great success it was.

Special Thanks To Our Judges:

## Your Official Guide to Experiencing Pawtucket

Pawtucket is not only an outstanding community in which to live and work but is also a great place to play and be entertained. From Chinese dragon boats to championship Triple-A baseball, handcrafted jewelry exhibitors to live music in numerous genres, plus historical attractions, three critically acclaimed theater companies and top-notch recreational facilities, Pawtucket's your ticket for a day of fun or a night on the town.

There is also year-round ice skating at the Dennis M. Lynch Arena, 25 Andrew Ferland Way, and eye-opening exhibitions at the Rhode Island Watercolor Society in Slater Memorial Park on Newport Avenue, where its 435 acres also offer a great place to take a stroll. Or you can satisfy your palate at one of the City's many fine restaurants offering food from vegetarian and numerous ethnic varieties to down-home cooking or sample your favorite craft beer at one of our several breweries. The enjoyment is here year round just waiting for you and your whole family to enjoy.

The City's annual marquee event is the Pawtucket Arts Festival, which holds sway in the City's historic downtown and at Festival Pier riverfront and Slater Memorial Park. The Festival kicks off the last weekend in August and spans the entire month of September, with a dizzying array of events, most at no charge and also with free parking.

### Building on a Proud History of Innovation

Discover how a young industrialist who left England to launch a water-powered cotton mill in Pawtucket changed the world forever. More than 200 years ago, Samuel Slater had an idea. He built a wooden clapboard structure the size of a large garage and installed some machinery. Then he tapped the hydropower of both the Blackstone River and Pawtucket Falls. The result: For the first time in this country, cotton thread was spun by machine instead of by hand. The nation's Industrial Revolution had begun.

Visit Slater Mill ([www.slatermill.org](http://www.slatermill.org)), which is located in one of America's newest national

parks. The museum complex at 67 Roosevelt Avenue offers a fascinating tribute to Samuel Slater and the industrial innovations he began in America. You will get an authentic glimpse of life in a 19th century industrial village with guides and re-enactors in traditional garb. Touring Slater Mill will bring you back to the early 1800s. At the adjacent Sylvanus Brown House (1758), you can witness demonstrations of hand spinning and weaving or watch a 16,000 lb. water wheel – the only one of its kind in the country – power the machine shop in the Wilkinson Mill (1810-1811). You can also enjoy exhibits of 19th and 20th century machinery, actual productions from an early textile factory and relive the evolution from handcrafting to machine production.

Just a couple of miles from Slater Mill you can tour the Rhode Island Music Hall of Fame ([www.rhodeislandmusicalloffame.com](http://www.rhodeislandmusicalloffame.com)) at 999 Main Street, Suite 100. Located in the vast Hope Artiste Village mill complex, with over 150 resident artisans, designers and entrepreneurs, you can view informative inductee exhibits celebrating Rhode Island's great musical heritage. This unique attraction, promoting the State's musical heritage, was named the Ocean State's "Top Museum Worth Traveling For" by [www.flipkey.com](http://www.flipkey.com), a vacation-rental website that's part of TripAdvisor's travel site. While you are at Hope Artiste Village, be sure to stop by New Harvest Coffee Roasters, 999 Main Street, Suite 108, where roaster Eric Lepine was named a winner of the 2014 Coastal New England Rising Stars Award from [StarChefs.com](http://StarChefs.com).

### Pawtucket's Burgeoning Arts Community

Pay no sales tax on original artwork produced and sold by hundreds of Pawtucket artists in their own studios or showcased in the City's numerous art galleries. More than 60 Pawtucket streets are located within this 307-acre zone, which wraps itself around the historic Slater Mill site and the downtown area. Or take a short hop to the Rhode Island Antiques Mall at 345 Fountain Street, visible from I-95, which twice Oscar-nominated, Rhode Island-born actor and antiques aficionado James Woods has been known to frequent.

The Pawtucket arts community features art studios and artists in every form, often in reno-

vated commercial buildings and mills, such as printmakers, glass blowers, silversmiths, visual artists, graphic designers, leather workers, jewelry designers, photographers, screen printers, dance studios and others. Artists known the world over have their workplaces in Pawtucket. Some of the City's famous artists include glass artist Howard Ben Tré, interior designer Morris Nathanson and artist Gretchen Dow Simpson, whose work has graced 58 covers of The New Yorker magazine.

### Pawtucket Arts Festival

The Pawtucket Arts Festival ([www.pawtucketartsfestival.org](http://www.pawtucketartsfestival.org)), in its 19th year, features hundreds of artists showcasing their arts and crafts, along with dozens of other attractions highlighting the visual, musical and performing arts. A statewide photography contest, film festival, juried art show and open studios tours of artist live/work spaces in mills in the Pawtucket Armory District, along with plays performed by local theaters, are among the many offerings. In addition, almost every color of the musical rainbow can be heard, including salsa, jazz, zydeco, doo-wop, blues, Irish, folk, pop and classical.

One of New England's largest festivals brings thousands of spectators to Festival Pier for the Rhode Island Chinese Dragon Boat Races & Taiwan Day Festival, featuring spirited races on the Pawtucket River and folk dancing and

traditional music along the pier. The Festival's crowning event each year is the always much anticipated appearance of the Rhode Island Philharmonic Orchestra performing their Pops in the Park concert at Slater Memorial Park, capped by a dazzling fireworks display.

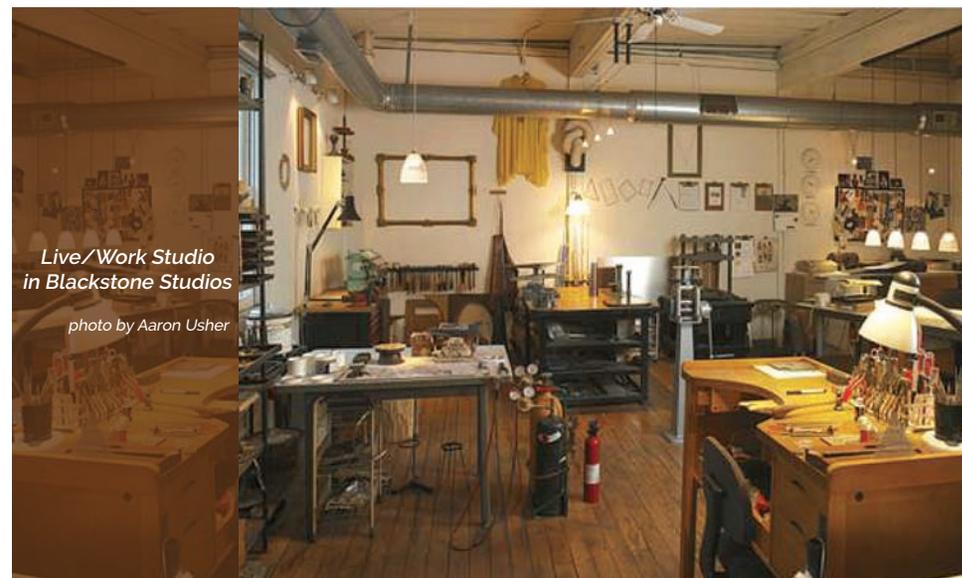

### On the Waterfront

Enjoy recreational water activities at the City's boat ramp, dock and fishing areas below the Division Street Bridge. You can launch your small boat and make your way down river to beautiful Narragansett Bay. The City has completed a Comprehensive Plan to upgrade the Festival Pier area for the enjoyment of residents and guests alike.

In Pawtucket's downtown there is the Riverfront Summer Concert Series, which features great music every Sunday during the summer. Blues, swing, jazz and Dixieland fill the air at the Veterans Memorial Amphitheatre next to the City Hall complex on Exchange Street. The Slater Park Summer Concert Series brightens the summer season with a wealth of programing geared towards children and families.

### Full Recreational Facilities

Slater Memorial Park is much more than a venue for music or a leisurely walk. The park features tennis and basketball courts, a bike path, fishing, picnic sites, paddle boats, an animal shelter and a dog park, plus a very special

attraction: the Charles I. D. Looff Carousel, the oldest stander carousel in the world. Across from the carousel, enjoy the creative exhibits at the Rhode Island Watercolor Society. Be sure to also stroll over to the nearby Daggett House, the oldest house in Pawtucket and one of the oldest remaining buildings in Rhode Island. Constructed in 1685, the house is furnished with period antiques, including needlework, Colonial pewter used during the Revolutionary War and china owned by the family of General Nathanael Greene.

### On Center Stage

Musical comedies, Shakespeare and dramas presented just “as you like it” are performed by three resident Pawtucket theater troupes. The Sandra Feinstein-Gamm Theatre ([www.gammtheatre.org](http://www.gammtheatre.org)), 172 Exchange Street, describes its mission as creating “the finest of live theater, engaging the audience intensely in current and recurrent issues of consequence.” This theater was founded in 1984 and relocated to Pawtucket in 2003. The Community Players ([www.thecommunityplayers.org](http://www.thecommunityplayers.org)), established in 1921 and the oldest community theater group in Rhode Island, fills the seats at the Joseph Jenks Junior High School auditorium at 350 Division Street, across from McCoy Stadium. Since its founding in 2000 by Ricardo and Bernadet Pitts-Wiley, Mixed Magic Theatre ([www.mmtri.com](http://www.mmtri.com)), 560 Mineral Spring Avenue, has brought diverse sto-

ries to the stage through words and song from well-known dramas to original productions.

Live music, as it has for decades, continues to find a welcome home in Pawtucket. Stone Soup Coffeehouse, one of New England’s oldest coffee houses, brings nationally recognized folk singers to its home at Slater Mill, 67 Roosevelt Avenue. Come listen to the contemporary music at The Met, 1005 Main Street, or visit Machines with Magnets, 400 Main Street; Doherty’s East Avenue Irish Pub, 340 East Avenue; the News Café, 43 Broad Street; Arigna Irish Pub & Coal Fire Kitchen, 507 Armistice Boulevard; and the German American Cultural Society of Rhode Island, 78 Carter Avenue; and Burger Bar, 855 Newport Avenue, for just a sampling of the City’s live music venues.

For an entertaining visit of a different kind, the Pawtucket Armory Arts Center LLC, 172 Exchange Street (adjacent The Gamm Theatre), has been transformed into a community meeting place. Once a year the Foundry Artists Association hosts their December holiday sale of unique arts and crafts, and the Pawtucket Open Market Place draws thousands of shoppers into the City’s historic downtown. The historic Pawtucket Armory building, built in 1894-1895 and listed on the National Register of Historic Places, also has office space for cultural nonprofits.

### See Tomorrow’s All-Stars Today

Want to preview the next greats of Major League Baseball? Chances are you’ll spot them taking the field for the Pawtucket Red Sox or their International League opponents from one of over 10,000 seats at the renovated McCoy Stadium, One Columbus Avenue. The Boston Red Sox affiliate hosts 72 home games from April to September against fellow Triple-A teams from cities around the country. McCoy also remains the site of the longest game ever played in professional baseball history, lasting 33 innings. The Pawtucket-based baseball stadium, one of the state’s premier tourist stops, offers affordable fun for the whole family. For a listing of home games, go to [www.pawsox.com](http://www.pawsox.com).

### Wining, Dining and Fresh Foods Marketing

At the Modern Diner, 364 East Avenue, place your order in the nation’s first diner to be accepted on the National Register of Historic Places. The Sterling Streamliner is from a line of customized “modernistic” diners manufactured in the late 1930s. Or let your palette be your guide on a culinary tour of exotic local restaurants, including Rasoi (Indian) and Garden Grille (vegetarian), both at 727 East Avenue; Plouffe’s Cup n’ Saucer (retro diner), 267 Main Street; Murphy’s Law Irish Pub & Restaurant, 2 George Street; Doherty’s East Avenue Irish Pub, 340 East Avenue; Spumoni’s (Italian and seafood specialties), 1537 Newport Avenue; Bella Pasta Ristorante (Italian), 514 Benefit Street; Galito Restaurant (Portuguese), 214 Columbus Avenue; Pho Horn’s (Vietnamese), 50 Ann Mary Street; La Arepa (Venezuelan), 574 Smithfield Avenue; China Inn, 285 Main Street; 10 Rocks Tapas Bar & Restaurant (Cape Verdean), 1091 Main Street; the Fountain Street Grille in the LeFoyer Club, 151 Fountain Street; the Burger Bar, 855 Newport Avenue, among many others. For a comprehensive list of outstanding restaurants in Pawtucket, go to [www.tripadvisor.com/Restaurants-g54103-Pawtucket\\_Rhode\\_Island.html](http://www.tripadvisor.com/Restaurants-g54103-Pawtucket_Rhode_Island.html).

For beer enthusiasts, take a tour and experience the tastings at several craft beer breweries in the City: Foolproof Brewing Company, 241 Grotto Avenue; Bucket Brewery, 545 Pawtucket Avenue; Crooked Current Brewery, 560 Mineral Spring Avenue; and Isle Brewers Guild, a craft cooperative housing several mid to large-scale

breweries, at 461 Main Street.

Paint & Vino, 150 Main Street, offers easy and fun lessons in acrylic painting. Each person also receives 2 complimentary glasses of wine or beer (must be 21+).

From November to May, Pawtucket becomes a destination for garden fresh produce and other goods from local farmers at the Farm Fresh RI’s Pawtucket Wintertime Farmers Market at Hope Artiste Village, 1005 Main Street. In the summer this farmers market moves to Slater Memorial Park. For details, go to [www.farmfreshri.org](http://www.farmfreshri.org).

### Community-Sponsored Activities

An array of community-sponsored activities, from the Pawtucket Fireworks Committee’s July 3rd pyrotechnics extravaganza at McCoy Stadium to colorful ethnic festivals (Portuguese, Colombian, Greek, Chinese and German), are held annually in Pawtucket. There is also the City’s over three decades old St. Patrick’s Parade, which steps off on the first Saturday in March to assure participation by some of the major Irish marching bands in the region and the inspiring sounds of their kilted bagpipers. Get into the spirit of Halloween by coming to TEN31 Productions’ Night at the Haunted Museum, Slater Mill’s Mills & Mysteries: A Ghostly Experience (Paranormal Investigation), Oak Hill’s Hootenanny Parade and the Haunted Tunnel at Slater Memorial Park, open Friday and Saturday evenings in October.

Topping off each year is Pawtucket’s Winter Wonderland spectacular in Slater Memorial Park in December. You can stroll through a Victorian village, consisting of buildings surrounded by hundreds of decorated Christmas trees, or revel in the special holiday spirit of carolers, bell ringers, clowns, puppeteers and musicians. Youngsters can also have their pictures taken with Santa and enjoy a hay wagon ride.

For more details about what’s happening in Pawtucket, go to [www.experiencepawtucket.org](http://www.experiencepawtucket.org). # HELP US KEEP THE CITY CLEAN AND GREEN

**Did you know?** That loads of recycling that are highly contaminated with trash - things like food waste, yard waste, construction debris, textiles, and bulk waste - can be rejected from the recycling facility? It costs the City \$250 plus \$32/ton to landfill highly contaminated loads. Please do your part by sticking to these rules of thumb for what to recycle in your blue cart.

## RULES OF THUMB FOR YOUR RECYCLING CART:

### PLASTICS

**RULE:** Recycle plastic **CONTAINERS**, up to 2 gallons in size **ONLY**. Disregard numbers and triangle.

**EXCEPTIONS?** No Styrofoam cups/containers, plastic bags, "empty" automotive fluid bottles, "compostable" cups, black planters and plug trays, acrylic or Plexiglass cases.

**PREP:** Empty and rinse. Don't crush flat. No straws. Gently replace caps and lids first and then recycle. Take plastic shopping bags back to any large grocery, pharmacy or big-box store for recycling.

### GLASS

**RULE:** Recycle glass **jars** and **bottles ONLY**.

**EXCEPTIONS?** No "Pyrex" containers.

**PREP:** Empty and rinse. Remove metal lids/caps first and recycle both separately.

### METALS

**RULE:** Recycle metal **cans/foil** and **lids/caps** from glass jars + **bottles ONLY**.

**EXCEPTIONS?** No yogurt lids or foil-like candy/chip wrappers.

**PREP:** Empty and rinse. No product, air or noise should come from aerosol cans when the nozzle is pressed down. Don't crush cans flat. Do bunch up foil first.

### PAPER/CARDBOARD

**RULE:** Recycle paper/cardboard that is **free of food and grease, isn't treated to be waterproof** (e.g. fridge or freezer boxes, paper coffee cups) + **isn't for sanitary use** (e.g. napkins, paper towels) **ONLY**.

**EXCEPTIONS?** Please **DO** recycle waterproof **cartons** (e.g. milk, juice, soup, broth).

**PREP:** It's OK to leave tape/labels/staples on. Double-bag shredded paper in clear bags first (no other recycling allowed in plastic bags). Replace plastic caps back on cartons' plastic spouts first, then recycle.

### ELECTRONICS

**RULE:** Anything that plugs into your wall should **not** be placed in your recycle cart. When in doubt, call your DPW at 401-728-0500, ext. 233. **No exceptions to this rule.**
