**AFFIDAVIT OF BUSINESS CLOSING OR MOVING  
AND/OR BUSINESS PROPERTY BEING SOLD**

If you no longer own a business or personal property in this past year, but did previously, you must return this declaration to the Assessor's office. This will provide necessary information related to the name of the new owner, date your business closed, or where your business is now located.

If this is not filled out, the Assessor's Office *must assume* that the business is still operating and under your ownership and that you have just failed to declare your taxable personal property. A bill will generate using the last values received.
