Secretary of State

Dear Local Elections Official:

As your Secretary of State, it has been an honor to work with you to improve access to the ballot box and secure the integrity of every vote. I cannot thank each of you enough for your work to deliver safe and secure elections during the pandemic.

It is imperative that Rhode Islanders continue to trust our elections process, and you play a key role in ensuring that trust. This digital guide contains all of the information and key dates you will need to administer the September primary and November general election in 2022.

The information in this guide includes:

- Filing dates for candidates
- Voter registration deadlines
- Contact information for fellow elections officials

I also encourage you to print out the flyers on the final pages of this guide to post in your offices for local voters. While this guide is offered electronically to make it easier for you to share with your colleagues, my office is happy to provide a hard copy of the guide or the Voter ID flyer upon request.

If you need additional information, please do not hesitate to contact our Elections Division at 401-222-2340, TTY 711 or elections@sos.ri.gov.

Government can and must be effective, transparent and accountable to the people it serves in order to succeed. That can only happen when we all participate. As a local elections official, I know that you work hard to make sure that Rhode Islanders who are eligible to vote can participate in our democratic process. I thank you for also working to make sure that our elections run smoothly.

Sincerely,

Nellie M. Gorbea

Secretary of State

Bring a valid photo ID to the polls

Poll workers will ask you to show a Photo ID when you vote at your polling place. Voter ID strengthens the public's faith in the integrity of our elections by enabling poll workers to match a voter's name to their face.

What is an acceptable Photo ID?

IDs must be valid and not have expired more than six (6) months prior to voting, but they do not need to have your current address.

Acceptable Photo IDs include:

- › RI driver's license/permit
- › U.S. passport
- › ID card issued by any federally recognized tribal government
- › ID card issued by an educational institution in the U.S.
- › U.S. military ID card
- › ID card issued by the U.S. government or State of Rhode Island (RIPTA bus pass, etc.)
- › Government issued medical card
- › RI Voter ID card

Protecting Your Vote

No eligible voter will be turned away at the polls. Voters who do not bring ID to the polls can vote using a standard provisional ballot, which will be counted if the signature they give at the polling place matches the signature on their voter registration card.

Mail ballots will not require Voter ID.
